Crimson wrote on Tue, 25 October 2005 19:55 Since when was it Bill Gates' responsibility to pay for storm damage? Just that one sentence convinced me that you are a liberal Democrat.

Ahh no, im not saying its his responsibility its just that i would like to see him, with all his money, help out the world.

and to the other person, i apologise, i didnt know he actually donated. I shall keep that in mind.

And for one thing crimson, i dont know what a democrat is im only 15. And live in canada, if that means ne thing.
