Hey everyone. It's my Birthday. I'm officially 14 now. 14 and still sick, lightheaded and dizzy, but still 14. I got Beef Jerky, Powdered Donuts and a large White Tiger statue, so this Birthday hasn't been bad at all. Mmm... Beef Jerky...

Anyway, I just thought some of you might want to know, and others might want yet another pointless topic to spam in. Well, I'm gonna go munch on some donuts and attempt to watch T.V. now, so I'll stop typing now. See y'all 'round.
