the answer is simple, just put the cd in and when the game is loaded and running , take it out and put it into the other computer and load the game on that. simple

now i have helped you CAN ANYONE HELP ME ON MY TOPIC ON THIS FORUMS and if u cant find it i will tell you what it is:

my connection is always broken when i join an internet game!!! it says game pending and then it quits. i never had it before, it just started.
