Well, a lot of people who visit these forums (myself included) were huge fans of Westwood. Generals was made AFTER EA gave Westwood the axe, and it bears no resemblance whatsoever to any other game bearing the C&C title. That still has a lot of people (myself included) fairly pissed.

But anyway...

RA2/YR. I've had a lot of fun with both, but they're both just too over-the-top in terms of ridiculous plot. RA2 just BARELY fit the universe, YR went off on a tangent- and several units made multiplayer a wee bit balance-impaired.

I agree with others here, though...the GUI for RA2/YR was incredible. If TS/FS had that GUI, I'd be in C&C happyland.
