Sir PhoenixxSk8rRIMukAprimeBeanyhead15, Almost 16.

same

Ditto...

...

A teenager and enjoying it ...

This september college here I come .

-Sk8rRIMuk

You're 15/16 and you're going to college?

Yeah 16 in July and then I go to college...

I am one of the youngest in my year but the average age in the UK for college is 16 anyways...

I think we have a different school systems to usa, canada & others.
