I recently made a desktop wallpaper to commemorate the fallen soldiers of Vietnam. I googled images, and found some differant wars, but I atleast managed to make the damn thing. And it's from MS Paint, so don't expect it to be good. And yes, the main background image isn't Vietnam either.

http://xs.to/xs.php?h=xs54&d=05454&f=WALLPAPER.PNG No text.

http://xs.to/xs.php?h=xs54&d=05454&f=WALLPAPERtxt.PN G Text.

Edit: Edited something out. Didn't read it properly.
