Call me cynical but I read:

We stuffed up and fixed our mistake with the music.

Not enough people interested in competition, help!

One one hand, I appreciate that EA appears to be making an effort.

One the other, I view it as too little, too late, and keep thinking EA wouldn't be anywhere there isn't revenue to be made.

Am I a cynic?

(Edit: Typos (thanks pirkel123)/formatting)
