I know alot of you probably won't care about this, but I found a link that has the list of games. Some of your favorites, like Star Wars: KotoR 1&2, Halo 1&2, and Half-Life 2 are compatible, but they didn't include Star Wars: Battlefront. Those bastards.

<http://xbox360.ign.com/articles/666/666344p1.html> <Link.
