Quote:Hmmm, so you're at your girls friends house, yet your on the computer? Thats sad... loser...

No, I'm not at Sarah's friends' house. I'm at her house, and I'm using the computer becuae I check various websites before I log off for the day - just like she does. I do wonder why I'm justifying myself to someone who probably hasn't had female companionship and tries to pretend he's lording it over someone else, though.
