When I try to download the core patch i get this message

[21:44] Unauthorized file game2.exe has been found in your renegade directory
[21:44] Unauthorized file game2.exe has been found in your renegade directory
[21:44] Disconnected from RenGuard network

i dont get it, i downloaded the renegade update from a post by Crimson I beleive.... led me to the Mpmaps website downloads...... i clicked english of course, now im getting the problem

just remebered the sticky was to download Renegade 1.037
