just create a clan on clanwars.cc.

I would just like to have a renegade-clan so our members feel "related".

A clanwars.cc - clan is for max 10 players if i'm right and you need to report a CW every X weeks ofcourse. We have more members but not all CW all that often. I just want some kind of link between us, as if we would put a tag before our name (like Soq has, for exemple).

So my question remains .
