The Kurds aren't considered his people there. You all obviously have no knowledge of foreign politics and morals. In Indonesia...the Muslims dont consider the Christians their people...and vice versa. The Irish Catholics and Protestants have been killing each other for decades...but we not only do nothing there...we are completely ignoring it. Take a position and stick with it...you cant say people are evil for killing their own people and then do nothing about a country thats been torn by it for decades.
