Sir PhoenixxArUsH4nIISir PhoenixxHavocmanCrimsonYes, it did... I had to dump the database and reimport it here which was a big task. eesh

....i see... and.. what did you just say?*Im not Techinal Literate*

She saved the database(mysql?) to a file on her computer (most likely with phpmyadmin), and uploaded it to this database, and installed the forums here.

Hey, how many MBs was the database?

Wha.....?

She ... saved ... the ... database ... (which ... stores ... all ... of ... the ... names ... posts ... profiles ... and ... other ... stuff ... like ... that) ... and ... uploaded ... that ... to ... this ... server ... Duh!

um....oh.....wha????????
