Duke of Nukesoh...so the iraqis just all of the sudden decided to go to democracy while Saddam was still in power? :rolleyes:

???

Why do you think he used WMD's on his OWN people. Iraqi's have always wanted a REAL Democracy. FYI, Iraq with Saddam in power tried to make it look like it was a Democracy. Remember that election last summer. Aparently Saddam won with 99.9% of the vote? The exiled Iraqi's are exiled for a reason. They supported a Democratic government, they left Iraq in fear of being killed or worse tortured.

So to answer your question... Yes the Iraqi's wanted a Democratic government, even when Saddam was in power. You didn't hear much about it because those that spoke for it dissapeared.
