Sir Phoenixx wrote on Sat, 26 November 2005 13:22 Looks good, you just need to fix the texture on the red crystal, right now it looks like it's rusted and completely scratched up, while it doesn't rust and in the air where it can't be scratched.

dunno about it being rusted, but it certainly looks a bit scratched and battered... maybe its just the angle of the screenshots

otherwise it looks v.nice, gj all who were involved
