stahlei wrote on Wed, 18 May 2005 06:59Goztow I've seen a skin which shows with huge arrows in the air were the ion beacon is. U also call that just a skin?

Pure RG server all the way!

Thats not a skin because the size of the object is changed. You are not able to use that if you use renguard. Pure mode is not nescessary in that case.

You're both idiots.
