So I will try follow your concept:

Old reborn team fails. We all agree.

New Reborn team starts a new mod in april 2004 (omg, not yet 2 year of development)

New Reborn is a failure and I am responsible so...

Do you know it's not out/done yet punk?

It's like saying, omg Pharaos, your pyramid is a failure, it has only 100 blocks yet...

KTHX, ack, do us a favor:
