flyingfox wrote on Wed, 30 November 2005 18:07 If so that's something that should be looked at for the next version of RG...people who are friends with server owners could get away with cheating...maybe the server should report correctly about everyone, even if they're on the ignore list

I think there should be an ignore list which could prevent a selected player from being forcerg'd, but it sure as hell shouldn't say they're using renguard when they're not, because let's face it... it's a direct lie
