Nodbugger wrote on Fri, 02 December 2005 16:45 glyde51, the US did not start this war, Saddam did.

As for civilian casualties, they happen. There is no way to avoid them when your enemy hides among them.

But as I have always said, if we left Saddam in power we would be guaranteed death.

Really, now... last I heard, it was the USA who invaded Iraq based on now-admitted faulty intelligence.
