It just sounds to me like some people are whores, opening their legs to let the media stick their big cock of lies in.

They show pictures of this older man and we're all supposed to shit ourselves "omg don't kill this man!". But show us a picture of a redneck-looking fella whose picture looks angry and tell us he killed babies, and we're all more than happy to see him die.

Just founding the "Crips" gang is enough for me not to feel any sympathy. Good riddance to bad garbage.
