Quote: why do I get the feeling you're making this up as you go?

I'm not making it up. What purpose would it serve for me to make something like that up? I hardly even play Ren that much anymore.

Quote: So why is Ikaika in it? I remember him getting kicked from NoN00bs because he just wouldn't stop lag killing everyone, then he posted a bunch of crap about how "we can't handle getting owned by the best sniper in renegade"... sorry, but SBBO is not the same as actual skill.

Ikaika is \*NOT\* in RTE. For any game. And I hate SBBO abusers the same as anyone else. Hopefully we can find a way to prevent that. I've spent about 3 years learning to snipe and have become a damn good sniper. And now everyone and their brother can use SBBO to become a threat. Not cool.

Quote: Didn't say I was (unlike most of RT-E)... but good job trying to change the subject.

I'm not trying to change the subject - I'm trying to drop it. I know you are a good player. But you know just as well as I do that there are a lot of good players out there. And that some l33t have lost their touch, while amateurs have become pro.

Let's just bury this topic already. I'm not trying to pick a fight. I'm not like that any more. (lol @ "any more")
