Wow. You really are stupid.

He's not talking about Counter Strike 1.6 (The one you play on Steam.) He's talking about the C&C Red Alert expansion "Counter-Strike".

Unusual_Rex: Have you tried the Windows XP patch made by Westwood? It's for C&C Gold, but it may be worth a shot. <ftp://ftp.westwood.com/pub/ccgold/CCGOLDXPPATCH.ZIP>
