Haven't had my "second" Christmas yet, but: A pair of slippers, an arm and hand warmer thing, Magic: The Gathering(Firemane Angel & Hunted Dragon! Woot for Red!) & Warlord cards, a matching blanket & pillow, which are on my couch/bed now, a 24 capacity CD case, a poster which I was about to hang up, Beef Jerky with camo packaging(BEEF JERKY! WOO!), and stuffed animal which is a White Tiger.
