My latest, and probably best map so far.

Edit: Version 1.1 final:

http://files.filefront.com/CC_SnowStorm11rar/;4525649;;/file info.html

For screens, go here:

<http://www.n00bstories.com/image.gallery.php?id=4622&folder=1590>

I said I would be adding large tunnel networks but I skipped that. The map is already large and a map too big will end up with 60% un-used terrain.
