---

Phase 1: He's better than me. He must cheat.

<LTserv1> canisnip: !rg light  
<LTserv1> @light: i love it when people rg me  
<LTserv1> @light: it's like a "stop killing me" whine

Phase 2: He doesn't have RenGuard. Now he's really in trouble:

<LTserv1> canisnip: a haxing mod?  
<LTserv1> @light: a skill mod  
<LTserv1> canisnip: lol get rg  
<LTserv1> @light: it comes with experience  
<LTserv1> @light: lol, I don't have to  
<LTserv1> canisnip: u have 2  
<LTserv1> canisnip: me  
<LTserv1> @light: i think i know the rules here

Phase 3: No-one insults RenGuard and gets away with it!

<LTserv1> canisnip: ns  
<LTserv1> canisnip: hax  
<LTserv1> @light: just stfu  
<LTserv1> @light: i don't cheat, and RG isn't reuored here

Phase 4: "If you don't cheat, why don't you have RenGuard?"

<LTserv1> canisnip: well if u dont cheat why dont u get rg then?

And finally, Phase 5: The justification: (Ignoring everything the other person has said, assure yourself RG works perfectly well)

<LTserv1> @light: because it's buggy and can be bypassed  
<LTserv1> canisnip: yeah so? people will be sure u do not cheat

This bit of comedy brought to you by LTServ, RenGuard and the letters: n o o b  
(Thanks also to goat for being on IRC and seeing these priceless logs)
