Afromn96i did it with 69 and it didnt work

6+9=12;69-12=57

Maybe 6+9 is for you 12 but for me it is 15 see to many dumb ppl here. It is always correct because it is always 0, 9, 18, 27, 36, 45, 54, 63, 72 or 81
