So Tiberios is going open source. Here's the first batch of stuff I'm putting out for use in maps and other things.

The original tiberios box, and the first poster too:
<http://tiberios.justinpereira.com/tiberios-goodies>

The mini structures in Haunted House 2:
<http://tiberios.justinpereira.com/haunted-house-2-structures>
