Excellent band, I have their CD. I havn't had much time to keep updating my playlist but I do have:

10 Years - The Autumn Effect  
Korn - See you on the other side  
Disturbed - Ten Thousand Fists  
Cold - Year of the Spider  
Cold - A different kind of pain  
Mudvayne - Lost and found  
Shinedown - Us and them  
Seether - Karma and Effect  
System of a down - Hypnotize  
System of a down - Mesmerize

and a ton of other CD's I havn't added into my playlist yet.
