Son, do yourself a favor, stop using Leet Speak.

You will not get into college.

You will be stuck in your parent's house until your late 40's.

No one will ever talk to you, or show an interest.

You will embarrass your parents in public.

They do not love you anymore.

People like you will be filtered out of society.

You will not be able to defend yourself against the filtering because all you can speak is broken english.

A bitmap is not appropriate, use Jpeg.

You suck at life.

"Pre-paid minutes yo, fee's shorty, fee's"

Dont become a bad person.
