It's official. I am the worst pilot in the world. My jeep-driving skills are at least sub-par, though.

What am I talking about? Battlefield 2, of course. I got the demo just today. Man, it really is awesome... Even on the lowest graphical settings. I think I like the terrorist side more than the...uh... No, the bad guys more than the good guys.(Yeah, this way I don't seem like I'm completely stupid... >\_> <\_<;) But seriously, I cannot pilot a jet to save my life, much less a helicopter. But I'm a pretty decent gunner for one, at least! Heh, this game rocks so much... ...but I'll always come back to Renegade because of its delicious simplicity and, of course, the fact it's a Command & Conquer game. :3
