WOW....luv2pb actually agreed with me on something.

But really, why even post Thumbs Up Like holy crap, we have this totally cool bot that we liked ripped off of another bot and renamed, and we are like so damn cool. So lets post about it on the renforums. {DUH} no one cares about your bot. CASE CLOSED

mebey look in the mirror befor talk [But really, why even post Thumbs Up Like holy crap, we have this]

THEN WY THE F*CK ARE U REPLAYING ON IT yust wanted to make some ppl let us know that we can make stuff and we are going to grow big y the fuck are u taking this so serieus...

AND I TOLD NO WE DINT STOLE ANYTHING FROM THE CRAPY BOT CS
CS SUCKS ty
