Or you go back, heal, try other side and get 2 shots off before sbh own you. I go on hill with sid and shoot stanks/arty/harvey/snipers. You give them points, i give us points.

Those 4 SBHs would be easily defeated by the 14 Tib Sydneys GDI would have on the hill for some reason.

Or the 400 snipers that are bound to be in that crowd, thinking of how often you see stuff like that.
