Only a complete moron would answer this truthfully. I could easily say I'm the best all around player because I haven't seen other people play all around style. to be honest...all I can really say is that I'm the best defender I've encountered in recent years...back in the day there were lots of people tons better than me...but I've gotten better since then and haven't run into them lately...

So yeah...I cant really say anyone isn't the best at anything...and if anyone does...they're a moron.
