Subject: Re: scripts.dll 2.2.3 progress report
Posted by RTsa on Fri, 27 Jan 2006 13:28:40 GMT

I'm not sure if this is a scipts bug or something that even can't be fixed, but..
When you access a PT and you enter a vehicle at the same time, it crashes Renegade. I had this
yesterday and I have scripts 2.2.2, RG1.03 and CP1.

Sorry if this isn't the right place..
