I will also have my dad help me program the game who already knows how to program VERY WELL in C++. And i will move this to another forum so as I get less flames on this topic. My friends will aslso help me program.

Ever Quest has Humans and Elves also
Same with Baulders Gate
Gothic has Orcs, and Human in it
The Elder Scrolls 3 Morrowind has all three of those races in it.

I suppose all of those games are ripoffs of WC then because they have Humans, Elves, or Orcs in it.
