Renegade 2 is dead.

There will be no Renegade 2.

There are 2 mods being made for Renegade, "A Path Beyond" and "Reborn", there is a lot of history you don't know, and your probably not ready to.

Basically, EA bought Westwood and now Renegade is a money-maker for EA, with 0 direct support from them.

(Have a look around these forums (and others), there is a LOT of history you've missed)

Welcome to C&C Renegade.
