Congrats!

The answer IS "why".

I am the Alpha and the Omega of all that is, has been, and is yet to come

Why are we doing it this way, why not some other way? <-- this ends the previous, and begins the new.

With a single utterance of my name, I can successfully challenge all things Religious and Scientific

Why does this do what it does? Why do you believe in a god that...

With one whisper of me, people have felled entire Kingdoms and entire Governments

Why do we have to put up with this?

I am feared by all, yet all will use me willingly

Why does this work the way it does? "Next question, please."

I have been given an honorary place among four others of my kind

Who, What, When, Where, and Why. "how" is not really counted in that specific group, so I wasn't counting it here. "Why" is also the most difficult of the questions to answer, hence the "honorary" place.

Though I'm thinking I may have to rephrase that part if people tend to have a problem with it.
