Deadeye and Mobius

Why?

Snipe the fucking techs while mobius shreds the tanks top pieces.

On Nod,

RaveShaw and SBH

Same thing, cept, Raveshaw fucks up the tanks, the SBH robs it.
Imao good times.

Tanks, I would say two flames in low number games for Nod
A APC and Med for GDI, Infantry and Tanks, or tanks. These two can shred them both. APC does little damage, but 297 bullets and 10 tank shells later, your pretty shredded.
