Hello All,

For those that don't know who Warrior Nation are, we are a massive clan with approx 2000 members in different sections of games.

We have recently begun a Star Wars: Empire at War section and has become hugely popular. People have been moving & joining the section as Primary & Secondary almost every day!.

I post this here on behalf of our new section to get some more guys & gals into the action! If you have played the Demo and enjoy it & you feel you will play this alot, why not join WN?

If you're interested, please post in our guest forum, named the neutral grounds:

Just make a thread with a subject with "Star Wars: EaW - Would like to join" and say a few things about yourself in the message.

Good Luck!

Andy/WNxCABAL
