jonwil wrote on Mon, 06 February 2006 06:15Do you mean the box in the download.exe program where the readme file appears? Or something else?

I mean this:

And another error:

## File Attachments

1) naamloos.JPG, downloaded 2119 times K Blackhand Studios Core Patch Downloader RenGuard has detected that a new Core Patch version is available for download, please click the "Install 📝 Core Patch" button to begin the installation. Please note that the Core Patch may take some time to download on slower connections. General information: CP - a Core Patch, which is an unofficial patch released by Blackhand Studios that contains bug fixes for Renegade as well as additional features. Scripts.dll modifications: Please be aware that the installation of Core Patch 1 will overwrite any custom scripts.dll modifications you currently have installed. Make a backup of your scripts.dll before installation. If you want to contribute your scripts.dll modification to the community, contact Blackhand Studios, Cancel the download: Install Core Patch Pause Core Patch Download To start the download, press the "Install Core Patch" button
