Why the hell do they have to jive it all up with all the "Oooo-hohohoh---ooo sayyyyyyyy can youuuu-hooo-hooo-hoooooo seeeeeeeeeieieiei!!!" bullshit that every other pop and black singer does?

What, is that supposed to give it "soul"? It makes it suck, you disrespectful assholes. Sit down before you keel over and die, Aretha.

Agreed, ruined it for me. I would have preferred seeing some choir boy sing it then listen to that fat bitch "sing" it to the ground.
