Aircraftkiller

I haven't even read anything in that paragraph you posted. I already know what you'll say.

"It's you, all you! I'm perfect, I can't do anything wrong."

ACK is mad

Aircraftkiller! I've said all I needed to... Others have noticed your "Me too!" attitude. So long as you realize that's what others perceive you as, my work is done.

Better get back to work then
