Jeep Rubi wrote on Tue, 14 February 2006 19:23lll try.....

Edit: Sorry, I cant. I deleted the .lvl by mistake awhile back when i was cleaning out my leveledit folder. You could either ask the maker of delta to try and change it or have insructions to delete delta if you have it and take it out of the map pack. You could always just leave tiberium wasteland out.....

Um,I wanna give fixing it a try with your permission?
