Alright! Fine! I get the point! "The people on n00bstories suck," is what you're saying! Okay, fine! Whatever!! Fucking move along already! Elitests... Clan members... You're all alike. You take a good thing and fuck it up for everyone else who dare be different! God forbid someone have some oddball strategy that works for them. If it's not the usual run-of-the-mill bullshit but it works, then "the people you play against must suck"! God...
