Hi all,

finally, the GF- Allstar- League is open, now. We invite all Renegade teams and clans to join the League. You can sign in until 4th April 2006. After that date, we will not accept any further applications!

The League will start at 14th April 2006.

The Leagues primary goal is "fun". So grumbler and other pains in the neck are not welcome! We hope, that we can set up a price for the winning team, but that's not fixed yet. You don't need to be in clan to take part. Teams of "clan- free- players" are welcome as well.

The matches will be on fixed dates. But you will have a period of three days, to realize the matches. If both teams can't agree on one date within the three days, both teams will get zero points for that round.

Every team will play at least 1 time versus all other teams.

We play 4on4 with max. 2 substitute!

You can register you team(s) at our forum
