bluethen wrote on Wed, 22 February 2006 17:53 I'm new at modding and im actually trying to see if there is any good mods for me to look at and, I am trying to make a few mods, but they suck. I made one where about 50 bots get dropped, in 10 diff ways, a bunch out of a helicopter, a bunch fall from the sky, and a bunch just pops out of the plane. I had to delete cuz it was laggy. It's better just to make a few come but then make it loop.
