CAD16 wrote on Fri, 24 February 2006 00:29I received this error message during the Core Patch 2 installation:

"Old file not found. However a file of the same name was found. No update done since file contents do not match. Note the error you are getting as well as what file is being patched and contact Blackhand Studios at Blackhand-Studios.org for assistance."

yea..same thing happened for me and i hav no-idea at all how to fix it and install cp2,
EDIT: oh yea, i have Core Patch 1 installed and the downlaoder is downloading patchall.zip
