Imdgr8oneLurkerXtrm2MattThe fact is, no-one is best at anything. Each person has their own ability.

I.e - You (TheGunrun) are very good at being a Lamer.

Lurker are you ever coming abck to renny? Me and the wizard (Truwizard ) have been wondering since the last great team without you has been with lynx or diodene

I was coming back this month played a couple of games and got bored of Renegade and changed my mind and I have added you on MSN and I will play a couple of games with you and you can show me how to play some Renegade again since I am a n00b now
