Subject: Minor Problem after installing CP2 Posted by terminator 101 on Fri, 10 Mar 2006 22:59:02 GMT View Forum Message <> Reply to Message

I installed CP2, but sometimes(it is rare but still) when I join a game, my "use" key (E) does not work at all unless I kill my self and then it works. Why is it like this? Any ideas? This Never happened before CP2
