I just got a sales call and this I wanted to share.

Here is the conversation from my last call...this is what I really hate.

Me: Hello.

Them: Hello, is Mr. Jeff Anderson there?

Me: He is not available, may I take a message?

Them: No, but can you tell us when the best time to try back later would be?

Me: Is this a sales call?

Them: No, we are calling to try save you money on your television service.

Me: So it's a sales call...

Them: Well...(Pauses for about 3 seconds)...Yes.

Me: *Hangs up.*

I hate when sales representatives do that. It's annoying.
